

NTI C-Group Update

electrical training *ALLIANCE* Directors Roundtable

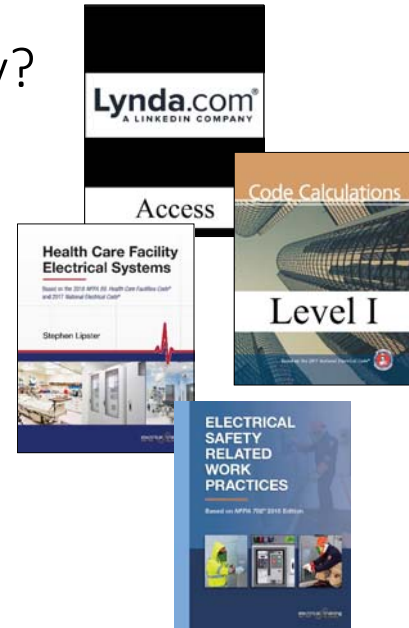

What have we done for you lately?

- Outside Line Construction LMS Migration
 - 1st Year Complete
 - 2nd Year Complete
- Substation Curriculum Conversion
 - 1st Year Complete
 - 2nd Year Complete
- Human Performance Course
- Crane Certification for the Electrical Industry, 2nd Ed.

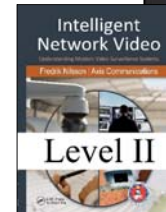

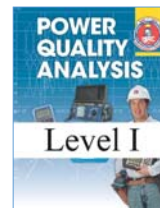

What have we done for you lately?

- Lynda.com Access Essential Training
- Code, Standards, and Practices 2, 3, 4, 5, 6, 7
 - NEC 2011, 2014 and 2017
- Electrical Code Calculations, Levels I, II and III
 - NEC 2011, 2014 and 2017
- Code Calculations Complete
 - NEC 2011, 2014 and 2017
- Healthcare Systems Textbook and Courses
- Electrical Safety Related Work Practices Textbook
- Conduit Fabrication, Levels I and II, 2nd Ed.

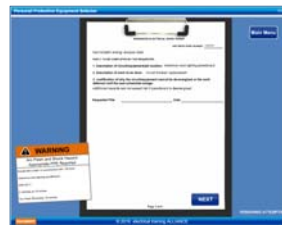

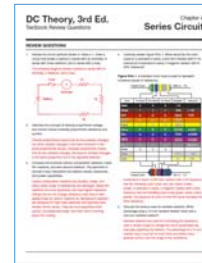

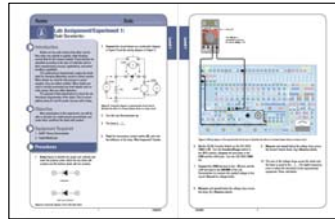

What have we done for you lately?

- Installer Technician and Residential Curriculum Conversions
- Electronic Access Control LMS Course
- Introduction to Network Technologies, Level II
- Intelligent Network Video, Levels II and III
- Installer/Tech Power Quality
- Voice-Data-Video: Applications and Installation
- Intrusion Detection, Level I, 2nd Ed.
- Residential Job Information 2, Level I

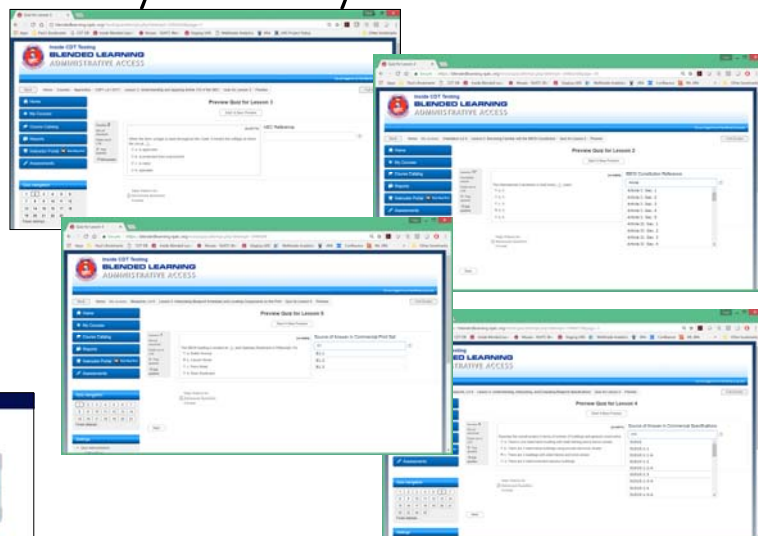

What have we done for you lately?

- Printable Labs
 - DC Theory
 - AC Theory
 - Semiconductors
 - Transformers
 - Digital Electronics
- Textbook Review Questions in LMS
- Printable References
- New PPE Selector Module

What have we done for you lately?

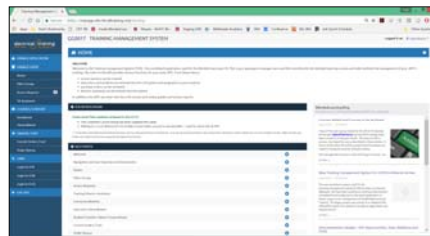

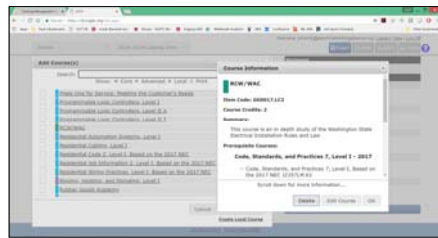

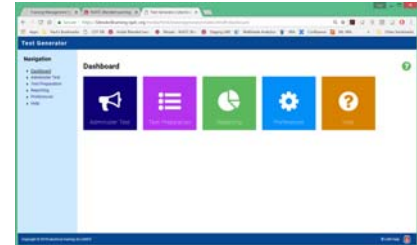

- Technology Updates
 - NEC Code Question Type
 - Blueprints (Prints)
 - Blueprints (Specs)
 - IBEW Constitution
 - NEC Article
- Flash Video Replacements
 - Over 650 videos replaced so far!
- AC/DC PowerPoints

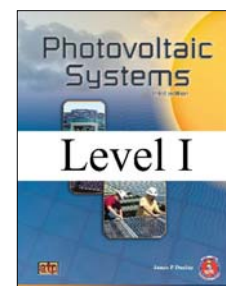

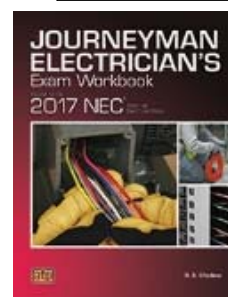

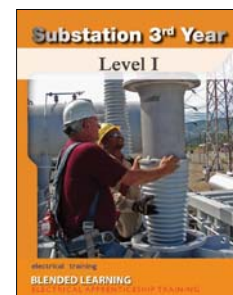

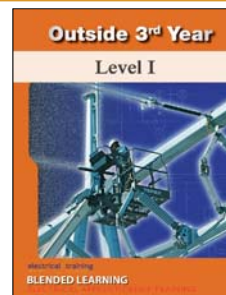

What have we done for you lately?

- LMS Releases – 12 year-to-date!
- NEW Test Generator!
- NEW Training Management System!
- CLCS Releases – 3 year-to-date
- Interim Credential Curriculum

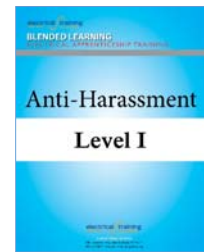

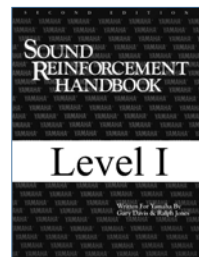

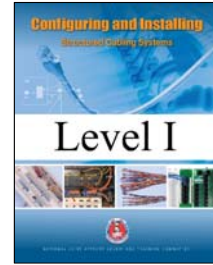

What's coming?

- Outside 3rd Year Migration
- Substation 3rd Year Migration
- Traffic Signal Curriculum Conversion
- New Motor Control Simulator
- Journeyman Electrician's Exam Prep
- Master Electrician's Exam Prep
- Photovoltaics Curriculum Update
- Craft Certification Exams Online
- Medium Voltage Curriculum
- BIM Curriculum
- Audio, Video, and Streaming Media Technologies

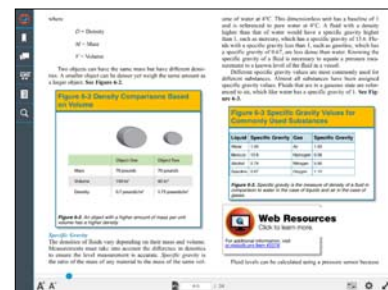

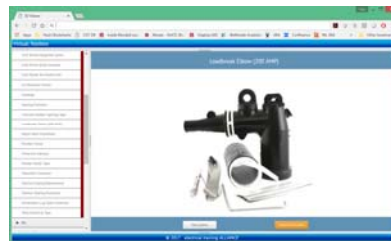

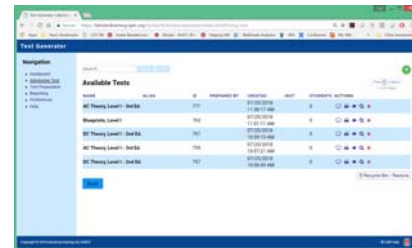

What's coming?

- Test Instruments Curriculum Update
- DOL Anti-Harassment Curriculum
- Structured Cabling Textbook and LMS Curriculum
- Electric Vehicle Infrastructure Training Program (EVITP) Update
- Electronic Access Control, Levels II and III
- Fire Alarm Lab Manual Update
- Practicing Leadership: Foreman Development Series
- Residential Automation Systems, Level I
- Residential Cabling Technologies
- Residential Code 2 Levels I & II
- Residential Wiring Practices Levels I & II
- Sound Reinforcement Levels I & II
- Intrusion Detection Textbook

What's coming?

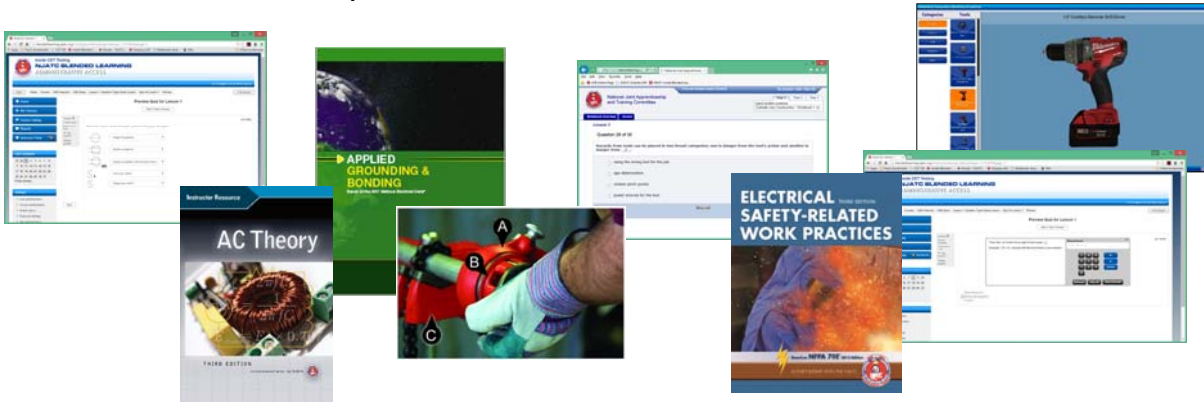

- New Online Test Generator – full rollout
- Unity and Flash Asset Conversions (more...)
- New Electrical Theory Simulator (ETS)
- eBooks
- LMS Releases
- CLCS Enhancements
- TMS Enhancements
- New Bookstore
- And more...

How can YOU help us help YOU?

- Identify highly-skilled and knowledgeable candidates for SMEs.
- Support their efforts to develop the BEST curriculum for the Electrical Industry!!
